Our road in life will have twists and turns, many that we won't see coming. Remember to roll the window down, let the breeze blow through your hair. Soak up the sunshine, and let the rain wash off the dirt. Let your eyes see all of the beautiful colors around you, and listen to all of the sounds, soft and loud, in the air. Reach down and lift others up to stand beside you, encourage them to fly as high as they can. Remember to always say your Prayers and you will Never be Alone.
