## Letter from Chamber Executive Director

On behalf of the Quitman Chamber of Commerce, the county seat and heart of beautiful Wood County, Texas, I welcome you to our town. We hope you find all you need in our charming town.

Quitman is an excellent place to live, work, and grow a business. As a premier East Texas destination, Quitman is ideal for fishing getaways on historical Lake Fork, superb retail and boutique shopping establishments, delicious restaurant options for food lovers, plenty of activities for music lovers and thrill seekers or families seeking a new place to call home. Residents of our loving community, I am sure would agree that although Quitman may be quaint, we have a big heart and diverse booming culture.

Our town's history began in 1850, and the Quitman Chamber of Commerce was established in 1974 to advocate for and support the prosperity of the Greater Quitman area businesses. We are proud to be the home of the first Texas-born governor of the great Lone Star State, Gov. Jim Hogg. Our city park, rightfully named Governor Jim Hogg City Park, houses the home he raised his family in and hosts many local festivals and fairs, including the oldest ongoing festival in Texas, the Old Settlers Reunion.

Quitman Chamber of Commerce is about creating new networking and promotional opportunities to help our member businesses succeed and grow. Currently, we offer many opportunities for our members to reach residents and visitors. In addition to the Membership Directory, we offer the Quitman Chamber of Commerce website, business referrals, and monthly networking opportunities. We also passionately pursue opportunities to support our local education, healthcare, economic development, community development and workforce development.

We would not be able to succeed without the collaborative efforts of our Chamber Board of Directors, City of Quitman, Chamber Members and other area professionals.

Our online business directory is another service the Quitman Area Chamber of Commerce provides to the local community. We continue to work with our chamber members to encourage you to Think Local & Shop Local. When you support the Quitman Chamber of Commerce businesses, you are investing in a passionate community that cares.

I would like to personally thank our current chamber members for all of their support and for trusting me to be the chamber's executive director. To anyone searching for a place to call your business home, we hope you would consider relocating your business or opening a new business in Quitman and see the great value in becoming a Quitman chamber member.

Thank you,  
Christine Thomas  
Executive Director  
Quitman Chamber of Commerce

# Wood County Old Settlers Reunion

The Old Settlers Reunion, held the first week of August at Governor Jim Hogg City Park, is one of the oldest continuous held festivals in Texas. The 121st annual affair was held in 2022.

There is a fun midway while local civic clubs have food and drink booths. Bingo in the park is also a huge hit with the

chance to win prizes donated by local business and community members.

The 500-seat pavilion, built in 1899, hosts a variety of nightly entertainment from oldies night to karaoke, gospel and country music during the reunion. Plans are underway to renovate that facility.

# Flora Masonic Lodge

Flora Masonic Lodge #119 has been a rock in the community since it was chartered in 1852. Only the town of Quitman has been in existence in Wood County longer.

The current building on Hwy. 37 also serves the local Order of the Eastern Star chapter, the Ladies' Masonic organization.

The building is available to the community,

and has been used for gun safety classes, reunions and civic club fundraisers.

The 120+ members are a fraternity of leaders often working behind the scenes to do charitable works in the community.

Their annual fish fry, held in December, represents the largest single contribution to the Quitman Christmas Sharing program.

## Wood County Arboretum

Fresh features at the Wood County Arboretum and Botanical Gardens are providing new opportunities for guests to enjoy nature and the year-round beauty of changing seasons.

The 23-acre arboretum, 175 Governor Hogg Pkwy, is long considered a crown jewel for East Texas, offering a host of outdoor attractions such as a walking trail, gazebo, shade garden and monarch butterfly way station.

Recent additions are making it even more desirable, and volunteers seem optimistic the enhancements will bring even more people to the venue.

“We’re really excited about all the changes,” said Deanna Caldwell, president of the non-profit Friends of the Arboretum, which oversee the grounds. “It’s been a busy few years for our volunteers, but we think the efforts will benefit the arboretum for years.”

Part of the excitement centers on the installation of a black metal perimeter fence for after-hours security. A new covered pavilion, made possible through a grant, provides a comfortable place for education sessions and entertaining.

There are new features for the pergola shade area too, including benches, lush

perimeter plantings and a foot bridge to safely guide guests to the destination.

In the butterfly observation area, an outdoor swing provides comfortable seating for lingering.

“We established a sanctuary for the monarchs, and feel fortunate that the arboretum can play a role in helping protect this endangered species,” said Lin Grado, garden manager. “We’ve been able to expand to a large garden area filled with only Texas native plants, a unique feature in Wood County.”

Gardens are free and open all year. The Stinson House is available for tours every Wednesday from 9 a.m. to noon.

The venue is tended by volunteers, and it takes plenty of helpers to manage the upkeep. People who love the outdoors and history are encouraged to join efforts to keep the grounds in tip-top shape.

The house was originally built in the Speer Community by James A. Stinson, whose daughter Sallie married Jim Hogg, the first native born Texas governor.

To learn more about the arboretum, visit [www.woodcountyarbo.org](http://www.woodcountyarbo.org) and follow along on Facebook. For more details, email [woodcountyarbo@gmail.com](mailto:woodcountyarbo@gmail.com) or call 430-235-5461.

## Quitman Public Library

The Quitman Public Library is located at 202 East Goode Street in downtown Quitman, Texas. The library serves all residents living within the City of Quitman, Wood County and the surrounding area.

The library holds over 30,000 print materials including books, magazines, local and regional newspapers, online databases, movies and audio books. In addition, the library offers e-books and media available on OverDrive.

Each year, hundreds of library patrons utilize print and electronic reference resources, access the Internet through the library’s high-speed wireless connection, enjoy state-of-the-art Wi-Fi service, participate in computer and Internet training, view a library exhibit or attend one of the library’s many events.

Our friendly and professional staff is eager to serve you. Stop by and check out the Quitman Public Library!

## Letter from Quitman Development

Welcome to the City of Quitman! Quitman is a wonderful place to raise a family, work and be a part of a great community. Quitman is a quaint little East Texas town with many opportunities and time honored traditions. We have a very proud past and promising future and want you to be part of what we are doing.

We began a huge downtown revitalization campaign in 2016 and have seen many major additions to our downtown. In 2019, the Quitman Development Corporation was awarded the “Best Economic Development Game Changer Award” for a small business retail incubator project in downtown. We have some of the best investors and shopkeepers in East Texas, and a visit to our downtown will not disappoint.

Our business park is now home to the largest quilt store in the state of Texas, the nationally-renowned Stitchin’ Heaven

Quilt Shop. Here you will find 17,000 square feet of quilting space, more than 13,000 square feet of retail space, a retreat center and cabins along with a distribution warehouse.

The goal of QDC is to continue to build upon our current efforts to cultivate and grow many more business partnerships in our town. We have land available and many incentives to help you as you grow your business here.

Among those incentives is a highly successful sign and facade grant program to match efforts of local merchants to improve the look of their businesses, with plans to expand that program even further.

Contact Quitman City Hall at 903-765-2223 and visit with City Administrator Rodney Kieke, who also serves as QDC’s executive director.

Thank you for choosing Quitman, we look forward to working with you!

## Quitman Medical Services

Quitman has several medical services available to the community. There are many different fields of medical care including UT Health Quitman, CHRISTUS Trinity Mother Francis Clinic, First Physician Clinics, chiropractic care, counseling, dental care, gyms for physical therapy, acupuncture and hospital needs.

Quitman is home to UT Health Quitman. UT Health Quitman was built to provide Wood County with advanced care in a healing environment. Its doors opened in 2013 as East Texas

Medical Center Quitman. In March 2018 East Texas Medical Center joined the UT Health family. As a certified critical access hospital it features 25 private inpatient rooms, 24/7 emergency centers, a network of hospitals and clinics, specialized centers of healthcare excellence, regional rehabilitation/fitness network, regional trauma/emergency system, regional home health coverage and extensive healthcare delivery programs. The UT Health system has one mission: bringing East Texas the world-class care it deserves.

"We believe in treating our customers with respect & integrity."
